

## **RAPT Therapeutics Announces Pricing of Public Offering of Common Stock**

November 18, 2022

SOUTH SAN FRANCISCO, Calif., Nov. 17, 2022 (GLOBE NEWSWIRE) -- RAPT Therapeutics, Inc. (Nasdaq: RAPT) ("RAPT" or the "Company"), a clinical-stage, immunology-based biopharmaceutical company focused on discovering, developing and commercializing oral small molecule therapies for patients with significant unmet needs in inflammatory diseases and oncology, today announced the pricing of its previously announced underwritten public offering of 4,054,055 shares of its common stock at a price to the public of \$18.50 per share. All of the shares of common stock are being offered by RAPT. Gross proceeds to RAPT from the offering are expected to be \$75 million, before deducting underwriting discounts and commissions and estimated offering expenses. In addition, the underwriters have been granted a 30-day option to purchase up to an additional 608,108 shares of common stock at the public offering price, less underwriting discounts and commissions. The offering is expected to close on November 22, 2022, subject to customary closing conditions.

J.P. Morgan, Evercore ISI, Guggenheim Securities and Cantor are acting as joint book-running managers for the offering.

The offering is being made pursuant to a shelf registration statement, including a base prospectus, filed by RAPT with the Securities and Exchange Commission (the "SEC"), which was declared effective by the SEC on November 16, 2020. The offering may be made only by means of a prospectus supplement and accompanying prospectus.
